Ref: Sport and disability - An event within the fair "104 - The caregiving expo"

Dear Presidents,
as you will have read on our last newsletter, Panathlon International will sponsor and will be present at the initiative in question that will take place at the Fair of Pordenone from 8th to 10th May (https://panathlon-fvg.it/panathlon-international-alla-fiera-104-the-caregiving-expo-a-pordenone/) thanks to the commitment of the International Board Member - President of the Expansion Commission, Paolo Perin, of Marinella Ambrosio member of the Club Pordenone and President ANAOAI and of many Panathletes of the Club of Pordenone and of the Area Friuli Venezia Giulia.
A unique appointment that will host, in a dedicated pavilion, not only an info-point of Panathlon International shared with ANAOAI but three days dedicated to inclusive sport, with the participation of experts, technicians, managers and over 200 athletes of 20 sports clubs from Austria, Croatia, Italy and Slovenia. Tournaments, exhibitions, round tables, presentations to understand how sport can overcome every barrier and unite people. The whole Panathlon world is invited to participate in presence and online to follow the events and bring the greetings of the European and South American Clubs. International President Giorgio Chinellato will participate and he will bring the greetings of our Movement, together with the IB Member Paolo Perin, the Governor of the Area and all the Panathletes that will be personally involved in this important event that hopefully can be replicated also in other Countries. Communication The responsible for communication Filippo Grassia, will also be involved as moderator at a conference on "Disability without borders".
Please find attached the brochure presenting the event, which I also invite you to follow on https://www.caregivingexpo.it/.
Thank you for your attention and best regards.
