circ. 13/24

Rapallo, 20th May 2024

**Ref: Panathlon International membership fees**

Dear Presidents,

with Circ. 12/24 we sent out the convocation for the Ordinary Elective Assembly together with the reports and documents to be discussed and voted on, including the resolution of the IB on the proposal to increase the membership fees for 2025 and 2026, which, as you know, have not been modified in the last 20 years.

Since this topic will be discussed beforehand in your executive boards, I think it is appropriate for you to read the motivations behind this proposal before you hear it illustrated at the Assembly by our Treasurer Stefano Giulieri. No one would ask for increases, but you will read that there are objective reasons to justify them. The new executive management will thus be able to continue the international activity desired by our founding fathers, always with a view to keeping costs under control and continuing to search for different financial sources.

I take this opportunity to thank you for your attention to this matter and to send my best regards.

Pierre Zappelli  
President
